

This Open Enrollment Period, Enroll in Transform Diabetes Care®

It is available at no cost to you as part of your CVS Caremark® prescription benefit plan.

You'll get this and more, just for signing up:

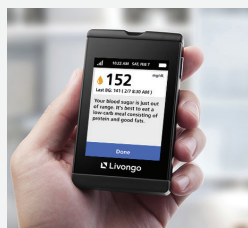

An advanced blood glucose meter

From creating logs for your doctor's appointments, to alerting loved ones when your blood glucose is out of range, Livongo's blood glucose meter can upload and send alerts in real time using a cellular connection if you choose.

Strips at No Cost to You

Reorder test strips and lancets right from your meter, as often as needed.

Instant tips as well as real-time support

You know yourself better than anyone, but if you ever have a blood glucose reading that's out of range—or just want some quick tips on diabetes management—your meter will offer instant tips after each check. It can also help you contact Certified Diabetes Educators when you want to dig a little deeper.

Extra Support at CVS Pharmacy® and MinuteClinic®

- Personalized one-on-one coaching with a pharmacist
- Two diabetes preventative monitoring visits at any MinuteClinic location
