Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$350/individual; \$1,400/family Waived for HEP Members and pre- October 2, 2011 Retirees	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. Primary care and specialist office visits, preventive care, prescription drugs, emergency room care, urgent care, mental health and substance abuse outpatient services, and eye exams are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical: In-network: \$2,000/individual; \$4,000/family Prescription drugs: \$4,600/individual; \$9,200/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billing charges, penalties for failure to obtain prior authorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the full cost if you use an <u>out-of-network provider</u> . Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work).
