The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit http://www.osc.ct.gov/benefits/docs/MedicalPlanDoc eff1012016updt9132016.pdf. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copay, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at http://www.cciio.cms.gov or call Anthem Blue Cross and Blue Shield at 800-922-2232 to request a copy.

<td>What is the overall deductible?</td>
<td>In-network: $350/individual; $1,400/family. Waived for Health Enhancement Program (HEP) Members and pre-October 2, 2011 retirees Out-of-network: $300/individual; $900/family</td>
<td>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Once you or a family member meets the individual deductible amount, the plan begins to pay for you or that family member. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</td>
</tr>
<tr>
<td>Are there services covered before you meet your deductible?</td>
<td>Yes. In-network primary care and specialist office visits, in-network preventive care, prescription drugs, emergency room care, in-network urgent care, in-network mental health and substance abuse outpatient services, and in-network eye exams are covered before you meet your deductible.</td>
<td>This plan covers some items and services even if you haven’t yet met the deductible amount. But a copay or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a></td>
</tr>
<tr>
<td>Are there other deductibles for specific services?</td>
<td>No.</td>
<td>You don’t have to meet deductibles for specific services.</td>
</tr>
<tr>
<td>What is the out-of-pocket limit for this plan?</td>
<td>Medical: In-network: $2,000/individual; $4,000/family; Out-of-network: $2,300/individual; $4,900/family Prescription drugs: $4,600/individual; $9,200/family</td>
<td>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</td>
</tr>
<tr>
<td>What is not included in the out-of-pocket limit?</td>
<td>Premiums, balance-billing charges, penalties for failure to obtain prior authorization for services and health care this plan doesn’t cover.</td>
<td>Even though you pay these expenses, they don’t count toward the out-of-pocket limit.</td>

<tr>
<td>Will you pay less if you use a network provider?</td>
<td>Yes. See <a href="http://www.anthem.com/statect">www.anthem.com/statect</a> or call 800-922-2232 for a list of network providers.</td>
<td>This plan uses a provider network. You will pay less if you use a provider in the plan’s network. You will pay more if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</td>

**About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copays and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
