| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall <u>deductible</u>? | In-network: \$350/individual; \$1,400/family; waived for Health Enhancement Plan (HEP) members Out-of-network: \$500/individual; \$1,500/family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Once you or a family member meets the individual <u>deductible</u> amount, the <u>plan</u> begins to pay for you or that family member. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u>? | Yes. In-network primary care and <u>specialist</u> office visits, in-network <u>preventive care</u> , <u>prescription drugs</u> , emergency room care, in-network urgent care, in-network mental health and substance abuse outpatient services, and in-network eye exams are covered before you meet your <u>deductible</u> | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copay</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other <u>deductibles</u> for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u>? | Medical: In-network \$3,000/individual; \$6,000/family ; Out-of-network \$6,000/individual, \$12,000/family <u>Prescription drugs</u> : \$4,600/individual; \$9,200/family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u>? | <u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain prior authorization for services, and health care this <u>plan</u> doesn't cover | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |

| Important Questions | Answers | Why This Matters: |
|--|---|--|
| Will you pay less if you use a <u>network provider</u>? | Yes. See www.anthem.com/statect or call 800-922-2232 for a list of <u>network providers</u> . | You pay the least if you use a <u>provider</u> in Tier I. You pay more if you use a <u>provider</u> in Tier II. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u>? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
