

# It's Enrollment Time!

## 2024 Open Enrollment: May 1-31, 2024

Open Enrollment is your annual opportunity to review your benefits, make changes to your medical and dental plans, and add or remove dependents. Any changes you make to your benefits will be effective July 1, 2024 - June 30, 2025.

Visit [carecompass.ct.gov/benefits-enrollment](https://carecompass.ct.gov/benefits-enrollment) for more information about your benefits.

## What to Do

While we're not making any plan changes, it's important to review your benefit elections to ensure they'll continue to meet your needs for the 2024/2025 plan year.

- 1. Take a fresh look at your elections.** Consider how your and your family's needs may have changed and choose the best option for you for the coming year.

What happens if you make no changes?

- If you're currently enrolled, your coverage will continue as is, with applicable 2024/2025 premiums.
- If you are NOT enrolled, your coverage will continue to be waived.

- 2. Attend an Open Enrollment event.** Join a question-and-answer session on May 8, 15 or 22 at noon to learn more about your benefits! Visit [carecompass.ct.gov/benefits-enrollment](https://carecompass.ct.gov/benefits-enrollment) for webinar links.

- 3. Make any changes you may need.** Employees who do not have access to a computer should contact their agency benefits specialist for a core-generated enrollment form during Open Enrollment.

- 4. Confirm your providers are in-network.** Visit [carecompass.ct.gov/benefits-enrollment](https://carecompass.ct.gov/benefits-enrollment) to access the Find Provider search tool for medical providers and Cigna's search tool for dental providers.

## Your Personalized Benefits Portal

You and your adult dependents can access the Quantum Health Benefits and HEP Portal, where you can view personalized benefits information, review claims, find in-network providers, check your HEP status, and more!

To register, visit [carecompass.ct.gov](https://carecompass.ct.gov) and select Create an Account. If you are enrolling in medical coverage for the first time, you must have your Anthem ID card number to register.

## Need Help?

For help with enrollment and eligibility information, contact your agency benefits specialist. For help with choosing a health plan that's best for you or finding a provider, call a Care Coordinator at 833-740-3258.
