

 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit <http://www.osc.ct.gov/benefits/docs/MedicalPlanDoceff1012016updt9132016.pdf>. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copay, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p><u>In-network</u>: \$350/individual; \$1,400/family; waived for Health Enhancement Plan (HEP) members</p> <p><u>Out-of-network</u>: \$500/individual; \$1,500/family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Once you or a family member meets the individual <u>deductible</u> amount, the <u>plan</u> begins to pay for you or that family member. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
Are there services covered before you meet your deductible?	<p>Yes. <u>In-network</u> primary care and <u>specialist</u> office visits, <u>in-network</u> preventive care, <u>prescription drugs</u>, emergency room care, <u>in-network</u> urgent care, <u>in-network</u> mental health and substance abuse outpatient services, and <u>in-network</u> eye exams are covered before you meet your <u>deductible</u></p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copay</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/</p>
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	<p>Medical: <u>In-network</u> \$3,000/individual; \$6,000/family; <u>Out-of-network</u> \$6,000/individual, \$12,000/family</p> <p><u>Prescription drugs</u>: \$4,600/individual; \$9,200/family</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
What is not included in the out-of-pocket limit?	<p>Premiums, <u>balance-billing</u> charges, penalties for failure to obtain prior authorization for services, and health care this <u>plan</u> doesn't cover</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://carecompass.quantum-health.com or call 1-833-740-3258 for a list of <u>network providers</u> .	You pay the least if you use a <u>provider</u> in Tier I. You pay more if you use a <u>provider</u> in Tier II. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
